NEWS AND COMMENT

AMCA INCREASE INSURANCE FOR 2011

But not by much Riders insurance which is a remote but required fee only 20 p added and our affiliation fee rises 10% to £55. The surprise one was the officials insurance up from £15 to £17 yet I've never known a CoC claim, an observer did once at a Bognor Trial and got paid out, we don't have observers so not much risk there then.

WORKING PARTY

Northlands – Sat 20th November 10 am – 1 pm

As long as the sleepers are on site we hope to repair some bridges – you'll need a spade on that job. The other one we want to do is clearing some tracks around the large hill on the crossover – slashers, small saws and clippers and the odd strimmer wouldn't go amiss.

PRACTICE SUPREMO

Thanks to John Charman for running the practice session for the second time (and getting the paperwork right this time!) John has returned the practice kit for next year and is happy to do it all again so I'm very grateful!!

CHRISTMAS ISSUE CONTRIBUTIONS

We try to make an enlarged issue for members' holiday reading and anticipate a flow of amusing articles from you to help – write in on any subject from bikes to birds, poetic or fiction – get your contribution by hand or email to Fiona before the next trial – a wide readership awaits!

PUNCHES

Clint made 25 Super Hooks to hang the punches on trees. Imagine his thoughts when he found several in the mud at the last trial (x!!x**)**

PLEASE BE SURE YOU ALWAYS HOOK THE PUNCHES BACK

ENDURO AFRICA

It's 2000 km off road round South Africa's wild coasts in October 2011. Entry fee is £5000 which you can pay yourself, raise it all in sponsorship or do a bit of both – the organisers have the fund raisers to support you whatever you decide. Wouldn't it be great if we had an HR member involved – I'm sure the club would be heavily supportive. Interested, log on to www.enduroafrica.com

XMAS SOCIAL EVENING DEC 11TH Six Bells, Newdigate 7.30 pm on

We are back at the Six Bells in Newdigate for this social evening with food (pick from menu or starve). Beer and a good natter. No need to book but be sure to come sometime before 11 pm when the pub closes.

MR BOWKER'S ALRIGHT (but the bike's costing!)

My comments on Pete's seizure at the last trial where I suggested oil should be mixed with petrol drew a rapid response. Apparently he's had to replace barrel and piston but under warranty the bits are hard to come by – Pete best return to SWM.

YOU MISSED OUT

HR Practice Trial – 9th October

Anyone that's had anything to do with the little boss man will know how hard this day is to arrange. Going to Dick's to collect the gear is like being sent to Alcatraz – you enter but you can't leave until he lets you and even then you find you have to reverse back down his drive as all the chat made me forget the key to the site. I love him really? The weather was good and as always on training trials Adrian and young Adam turn up nice and sharp to help and I never had to ask him. Not far behind is Graham K and neighbour to help aswell, what a start. We set out 6 sections as that way we were able to keep all close together and watch the progress of all 12 that turned up. When

setting out section 6 both Graham and myself were looking at a root covered between some trees on a tight turn and told each other how much we hated that kind of thing so it went in the section and by the end of the day everyone was riding it like Gods, so yes, these days do work. Clint turned up with the biggest secret in the history of Horsham Riders. For those that don't know yet Clint's got a Gas Gas so I'm not talking to him any more. This was a huge secret that for some reason most of us knew from the last trial Young Sam arrived and gave Clint £2.00 for the old Mont and rode off with a smile on his face that I reckon is now stuck. Unlike Clint's new bike which only made the first section and the tyre went flat as Sam rode past on a very nice Mont. Sam got to grips very quickly with the new machine and rode very well as did brother Joe until his bike beat him up on section 5 over some rocks. Must be something wrong with these new Gassers. Adrian's lad Adam seems to be getting the better of his new bike with tuition from Mike H and Clint – he had the slippery banks sorted and moved on to bigger things. On 16th October Clint, Pete, Ed and myself set out the Worthing trial at Reelhall Fram and had a great day playing around – we must have got it right as we took a 5 off James Fry on Section 1 – I think Ed cleaned it so he's on the way to the top. I'm still running in the Mont so rode Blues and had a good day. We did see one or two HR's there – hope you enjoyed yourselves. Clint, Mike and Dave I believe all had a great day out on the Pamperas, but you will have to ask them how it went, Clint said he'd had a really good time.

A BIG THANK YOU to all that helped with the training trial - let's hope next year is as much fun for Horsham Riders as this one's been.

SKITTLES REPORT

We nearly had a full house for another successful skittles evening at the Newdigate pub with 35 attending. Special thanks to Fiona who collected the money, organized the teams and was often seen standing up the skittles. Energetic star of the stand ups was Joe Aldrich who was at is all evening though all the children helped at times.

The entry was divided into teams of 4, each team member got 3 shots each, if they knocked all down in the first 2 throws the 9 pins were stood up again for the last ball – the highest score when to Carol (Clint's partner) on 17 who also made the only strike of the evening getting the whole lot down with the first ball.

Stuart had to phone to ascertain the start time even though it had been in the Newsletter for 3 months and team mate Tony on arrival said he's delivered the pub with beer years ago when he was a drayman. Ian Mc (HR socialite) wanted to impress and was accompanied by his personal skittles advisor (Jill) who got 9 in her first go. Impressed with her precision Ian followed with 5 (typical score) but when the specialist advisor went again you could see her skill had been drained by advising the financial wizard in spin and onlookers were seen holding their heads in their hands unable to watch anymore!

In all a really enjoyable evening with everyone pleased with the food. The final to find the skittles star performer for the bottle of wine went to Tim who had so much booze at home he gave it to his team members Sam and Jackie A, the runners up. Martin B, Jamie and Emily F and Maggie competed for the children's prize where poor Joe got missed out as he'd had an adult sized meal – very unfair but the box of Heroes went to Martin.

GOODNESS GRACIOUS GREEVIES! Northlands Trial November

The reconstituted Greevies team must have done a splendid job as compliments flowed for this event. Dan B took over the team and did the White gates, Mark S and Rob Mc the blues, and Steve J Yellows. The progressive and not excessive results were the outcome. Even ½ way scores on W & B were spot on but the Yellows were a tad easy – though if there had been rain overnight??

Clubhouse Revelations

Pete B had sorted his bike, reckons it's OK now, he didn't know what the day would bring; his chain came off on section 10 and when it got refitted he only had 2 gears so dnf. That's not been a kind bike to Pete. Now road racing season's over Garry Budgen comes back on that old red Fantic – he tells his mate Seb K to enter Blue (he's new to the game) – scores? Gary 28 – Seb 124 – that's cruelty! Sean P had missed a couple of trials due to an umpety back – he's been to an advisor who tortured him as he lay on his back suddenly yanking his arm – as Sean lay gasping in immense pain (?) the advisor explained his back had elastic bands in it – now he's pinging about and lives. HR's Chief Advisor was late signing on as social mixing in Tenerife was just concluded prior to a caravan in Hartlepool.

Clint sported his new Gasser, the 4RT is gone to Sam Davidson now only John C and Keith T still hang on to 4 strokes, unless Tea Bag ever returns from his early retirement. Missing persons, Tony F says Jamie is so pleased to be in the football team that's winning the league he can't miss a game and Phil W is on a two stroke instruction course!! I knew he'd had many bike problems in the past but was this necessary? The Brays came without Josh again but I couldn't establish if it was the beer or the birds –a question that may have to be put to the unseen Jack Northover.

Early Starts

Now that the clocks have gone back starts will be at 10.15 am or earlier depending on the weather. Didn't help Chris H though, when his Scorpa wouldn't start and it's off with the tank on that model just to change the plug. By the time the white riders had assembled and got going Dan B was back having finished his first lap on 6 – he hoped it would get more slippery as the event wore on.

Course Comments

The angled slippery logs at Section 10 had a few taking fives rather than the inevitable but those who could lift wheels wherever they wanted made it all a main road. Section 8 was a good one to watch when the whites arrived, one or more of the gates were narrow and tight leading John C to exclaim "I'm too old for this!" They sent Mike in to bat first, he missed a gate (5), John got ½ way but his instability started with the logs at the bottom of the hill, Pete B was similar but Sean and Clint got away with a dab.

Blues followed on a not so tight route, Keith T went through with a shockingly squeaky brake but clean. Tim H took a dab but Chris H revealed he'd gone down to yellows, perhaps that's why he dnf. There was no problems for the Yellows. Dave B and Graham K were effortless and John P was thinking of retiring from trials as for the first time ever he'd completed a clean lap!

At section 5, the steep bank, I witnessed the suffering being inflicted by Garry on his friend (?), Garry whizzed through for a 1 but Seb got 10 ft up the bank and slid downwards. "Can I have another go?" – "Yes, but give it a bit more stick" – Seb flew up, so did the front wheel and he turned and crashed to the bottom. Section 3 Tom Bray has mended his front brake, Sam A had said the ditch was getting wet and carrying up, but Tom started and got a 5 and rescued Elaine trying yellows in an odd direction. After some ribald comments, Ian M was looking masterful, but 3 was the hole to punch.

Final Listings

Approval was given to the new bike by Clint's body, it didn't hurt as much as the 4RT. Just behind were Alan A and Sean – the first 3 separated by 4 marks, the followers separated by 20 marks and more. On the blues another Sean (Staker) from Worthing led on 10 but 1st HR was SB Sam D on the ex Clint Mont – he did well to keep ahead of Keith T on another Mont. Course marker Dan and Sam leveled with that old red Fantic of Garry's showing up many better equipped riders.

Robin B, from Basingstoke, won the Yellow route, he says he's going to blue for the next trial. John Y should have had 0 too but he'd missed a gate and that 5 put him down to 4th place, pleasing 2nd Joe D and 3rd John P no end! Now Joe A is doing Yellows as well (he ended with course setter Stephen), that name must be fashionable – only a few years back I was calling all our schoolboys Dominic! The leader on the Reds Bill B says he's stick there until he's red Champion – his score looks good, but he'll find some of the others were trying yellow sections, especially the 2 ladies in the group. All finished by 3pm after a day that was absolutely trials weather and thoroughly enjoyed by all. Well done Greevies – you can do it again next year.
