CLUB TRIAL - 3RD DECEMBER - MANNINGS HEATH

Thanks to Andy, Tim, and Chris for helping out with this trial they have already done their own marking out for this year so good of them to do another one. If anyone's not on a team, Adrian will be very pleased to hear from you. According to Mike and Tim it was a very good trial - pleased to have the hills in which lead to slightly higher scores - but more fun! Good to see a few old faces also, hopefully they will be back in 2018.
