

RESULTS**CLUB TRIAL - 7TH JANUARY - ROME WOODS**

Thanks to Team Ajays, Mike, Phil TW and Adrian Beech for laying out.
It had rained all week and so the worry was that Rome would be at its's worst - but fortunately no rain Saturday and Sunday made the going much easier - just as well for the large entry of 52 riders.

Notable crash of the day was James Turner who managed to launch his bike off a log and it carried on for around 15 feet on the back wheel - quite impressive !
